2019-2020**

Dear Parents: The following are statements that require your reading and signature. Your signature at the bottom gives permission for all of the statements.

1. **Release of Basic Student Registration-Medical Information:** If your child is a regular bus rider, or if your child rides a bus for field trips, it is sometimes necessary to have basic information such as addresses, parent/guardian information, phone numbers, and emergency numbers so parents/guardians can be contacted if medical attention is needed. It may also be necessary to share confidential health information with the school staff who have responsibility for the student when in school or participating in school activities. The information shared with the staff will be what is minimally necessary to ensure the health and well being of the student.
2. **Emergency Medical Treatment:** The director or designated representative of LACC is authorized to secure medical care and automobile or ambulance transport to the nearest hospital that provides emergency medical services when you cannot be immediately reached.
3. **Photo Release:** LACC from time to time allows coverage of activities and events. I/We give permission for our child's picture/video and/or names to be used in positive informational news coverage and educational purposes. However, I do understand that the LACC website, Facebook, and/or Twitter will NOT display a student picture along with a name to identify the picture.
4. **Field Trips:** Classes take field trips, community-based walks and in-district trips as part of the curriculum. I/We give permission for our child to leave school grounds for these activities.
5. **Student Award/Honor Information:** LACC from time to time announces listings of students receiving awards and honors. I/We give permission for our child's name to be released for the purpose of identifying students who excel.
6. **Internet Use:** I have read the AUTHORIZATION FOR INTERNET ACCESS attached. I understand that internet access is designed for educational purposes and Livingston Area Career Center and Pontiac Twp. High School District 90 have taken precautions to eliminate controversial material. However, I also recognize it is impossible for LACC/PTHS to restrict access to all controversial and inappropriate materials. I will hold harmless LACC/PTHS, its employees, agents, and board members, for any harm caused by materials or software obtained via the network. I have discussed the terms of the AUTHORIZATION with my son/daughter. I hereby request that my child be allowed access to the internet labs at LACC/PTHS.
7. **Dual Credit:** Students enrolled at LACC may be enrolled in dual credit classes offered by a community college and may earn high school credit as well as college credit for the class. I/We give permission for student information to be released to the community college.
