

Events & Opportunities

Career Fair

Every year in October, LACC hosts a career fair for all freshmen in Livingston County. There are upwards of 500 students that attend. This day is an opportunity for students to be hands on and explore careers. They get to see the educational opportunities available to them, the business connections, and opportunities in the area. If you are interested in having a booth with an activity, contact Laura Vogel (lvogel@pontiac9.org).

Resume Day

Here at LACC, we recognize the importance of interview preparation and soft skills. Every one of our students is required to have a proper resume & cover letter by the time they graduate. Resume Day brings business partners from the community into the classroom to assist students with all things job preparation: resumes, cover letters, interview skills, etc. Contact Maddie Lee (mlee@pontiac90.org) if you are interested in sharing your knowledge.

Senior Interviews

To take it one step further than Resume Day, we host Senior Interviews. Every one of our seniors is required to participate in an interview with a business partner. The interviews are thirty minutes each. The first twenty minutes is a formal interview and the last ten minutes is to share strengths, weaknesses, tips, tricks, and advice for improvement. This is a great opportunity to network with the future workforce, and some business people even take this opportunity to interview to hire! Contact Laura Vogel (lvogel@pontiac9.org) if you are interested in participating.

Donations

We are always trying to stay current with our curriculum & equipment. It helps tremendously when businesses are willing to donate materials, equipment, and supplies to our programs. Contact Tera Graves (tgraves@pontiac90.org) if you're interested in donating.

Community Scholarships

We appreciate any & all partnerships with LACC. Community Scholarships allow businesses to donate scholarship money to LACC students to assist them in furthering their training. Contact Tera Graves (tgraves@pontiac90.org) if you're interested in donating.

Are you curious how to get involved with LACC? Do you want to help build a future workforce? Here are some of the opportunities for LACC & your business to partner.

Guest Speakers:

We always love having visitors at LACC! Come into the classroom and share with students your knowledge, information about your business, and job opportunities.

- During 90 min. class time
- Multiple class periods

Site Visits/ Tours:

An opportunity to get out of the building and into a business. Seeing really makes a difference & allows students to learn about your company. Please reach out if you're interested in hosting!

- 90 min. class time, 1/2 day, full day

Job Shadows:

Spending time with someone in the field can help a student understand a career more clearly. With a job shadow, a student is allowed the opportunity to see what a specific job actually entails. This also allows businesses to get to know prospective employees, and explain the job more effectively.

- One day, one time
- Unpaid
- 90 min. class time, 1/2 day, full day

Internships:

Let's go one step further. Our internship program involves students leaving their classroom/shop several times a week to go into a real work setting. This can range anywhere from simply observing, all the way to hands on work. This is free to businesses, & used to introduce our students to businesses and even more training.

- During class, or during summer
- Multiple days a week
- Paid or unpaid (company's discretion)

Co-op:

Do you need help building a workforce? Inter-Related Cooperative Education, or Co-op, is designed to help bridge the gap between school & the world of work. Students are provided practical work experience while still in high school & gain experience in applying for & interviewing for jobs. Students will take regularly scheduled classes part of the day & a Co-op work experience the other part of the day.

- Released from school to work
- Paid Employment
- Multiple days a week or every day

Proudly Serving: DTHS, Flanagan-Cornell, PCHS, PTHS, Tri-Point, Woodland
