

Pontiac Township High School
Industrial Technology Instructor

Job Category: Industrial Technology Instructor

County: Livingston

Type of Employment: Full-time

Grade Level: Secondary

Application Deadline: Until Filled

Anticipated Start Date: August 2024

Duties: Pontiac Township High School is seeking a full-time Industrial Technology instructor starting August of 2024. Responsibilities include the instruction of high school students in entry level courses including: Introduction to Technology, Basic Auto, Small Gas Engines, Woods I & II and Introduction to Welding. We are looking for candidates that are passionate about the industry and able to engage students. Effective communication and collaboration skills are essential to this position.

Qualifications: Qualified candidates must have an industrial education, Type 09 Certification, or be able to obtain a teaching license for the State of Illinois and experience in the field.

Salary/Benefits: Base pay of our current collective bargaining agreement with 100% paid health insurance and dental for the employee.

Application Procedure: Submit letter of interest and resume to Tera Graves at tgraves@pontiac90.org. For further information or inquiries contact 815-842-2557.
